Fat Kitty City has more than doubled its intake of rescued and surrendered cats and kittens in the past year. The number of animals left homeless has increased with the economic downturn, and food discounts that were once available are no longer offered. Fat Kitty City operates on donations and RIGHT NOW it is in grave need of canned and dry cat food. We need the community's support to help feed these cats. Please donate cat food now.

Don't have time to purchase food? Then please check our website and make an online donation at www.fatkittycity.org/donate or make a check out to Fat Kitty City.

Interested in adopting? We showcase our cats at PetSmart & Petco in Folsom on the weekends. Want to volunteer? Email us at cmkitty@sbcglobal.net.

THANK YOU SO MUCH FOR YOUR SUPPORT
